

NORTH ALLEGHENY SCHOOL DISTRICT

FACILITIES DEPARTMENT

FROM: Ron Postreich, Manager of Maintenance Services

SUBJECT: **Herbicide/Pesticide Application Notification**

Act 36 of the Pennsylvania Integrated Pest Management (IPM) law requires the North Allegheny School District to notify all employees when application of a product, which could cause a hypersensitivity reaction, is applied. Unless it is an emergency, the law also requires all School Districts to provide at least three (3) days notification prior to the application in a school building or on school grounds.

The following attachment outlines the area, dates of pesticide spraying and information about the chemical that will be used.

If you require any additional information, please contact me in the Facilities Department at 412-369-5403. If you have an emergency, please contact me at (412) 258-5419.
