Dear Parent or Guardian:

The Pennsylvania School Health Law requires that all students receive a dental examination on entrance to school in kindergarten, and in 3rd and 7th grades. A dental examination is also required for students in other grades who have no record of an examination on file in his/her school. This exam can be dated anytime during the 12 months prior to the start of the mandated exam school year. *As an example, your child started school on August 22, 2022 the dental exam can be dated anytime from August 22, 2021.*

The best interests of your child are served by having a continuous relationship with a family dentist. **Please have your child's dentist complete this report form and return it to the school nurse as soon as possible.**

FOR DENTAL EXAM COMPLETED AT SCHOOL: If you are financially unable to pay for an examination by your family dentist, please sign below and return this form to the school nurse.
